

## TFN Impact Report

<b>Name of your Organisation:</b>	ShareCare
<b>Date of TFN event which you pitched at?</b>	14/12/17
<b>Name of the project TFN funded:</b>	ShareCare
<b>Were you able to undertake your project as you outlined in the application?</b>	No
<b>If no, please outline how the project has changed</b>	<p>Unfortunately after working on ShareCare for four months and struggling to find a co-founder, a lack of a clear business plan and a couple of unsuccessful bid applications, I have wrapped up ShareCare for the time being.</p> <p>Within the four months, I carried out thorough research in Tower Hamlets to check the need and feasibility of my solution. The research only affirmed my belief in the strong need, however, it weakened my confidence in my solution. The solution I came to ended up being one I didn't think was feasible for me or financially sustainable. I did apply for bids along with the Bromley by Bow Community Centre which would have given me time to trial and test ShareCare, however I was unsuccessful in obtaining these.</p> <p>I have also gained valuable information about an important social problem which I intend to combine into a research report and blog post. I hope that at some point in the future I will be able to take up ShareCare again in a different form and hopefully with others! It's a problem that I care strongly about and I certainly won't forget.</p>
