organisation to potential funders?	
Has TFN increased your capacity to raise further funds?	Yes
Can you tell us any personal stories to highlight the value of the project?	One of the young men we recruited was estranged from his family due to inappropriate behaviour and substance misuse. By engaging in the project not only was he able to support his peers, he was also able to develop his confidence, participate in training and link in with men's support groups to address his behaviours. He is now re-connected to his partner and children and is applying for paid work.
Since presenting at TFN, has your organisation undergone any other significant changes?	Yes our nightshelter is now open 24 hours a day and our day centre is open 7 days a week. This has doubled our capacity. To provide safe, friendly spaces for vulnerable young people.
Do you have any other comments or feedback on the experience of the TFN process?	<p>The support from TFN made the project happen. Without this funding young people couldn't have been involved.</p> <p>We also found the presentation coaching to be very empowering.</p>
